We are proud to support the following Organizations:

We Care provides children with special needs skills for a better start in life. Their program helps both parents and children by starting early with a set of therapies and early-childhood education programs. We Care helps young children and their families reach their full potential, regardless of their abilities or circumstances.

Canine Companions for Independence is a non-profit organization that enhances the lives of people with disabilities by providing highly-trained assistance dogs at no charge to the recipient and provides life-time support for the life of the dog and any successor dogs. These service dogs assist those with physical disabilities by performing daily tasks.

Hospice East Bay provides compassionate end-of-life care to terminally ill patients, while offering emotional, spiritual and grief support for the entire family. As a non-profit organization, Hospice East Bay accepts all medically qualified patients, regardless of their insurance status or ability to pay.

George Mark Children's House focuses on quality of life and continuity of care for children with illnesses that modern healthcare cannot yet cure, or for those who have chronic medical conditions. They hope that one day, homes like theirs will become the norm.

Since 1965, the Youth Homes team has provided services for foster youth who have experienced multiple traumas, abuse and neglect. What drives Youth Homes is simple: helping young people heal and empowering them to lead lives of meaning.

VESTIA (Volunteer Emergency Services Team in Action) A non-profit corporation under the County's Employment & Human Services division, composed of volunteers who raise money and obtain donated goods and services to provide supplemental support to clients when no other resources exist.

Friday Night Out is creating community for people with special needs. It is a once-a-month inclusive and supportive environment for high school students and young adults to meet, socialize, and build relationships. Our Friday nights include dining, mingling, and dance! We believe that organized activities, life skills support, and opportunities to explore friendships are essential for the development of our members. All are welcome! www.fridaynightout-eastbay.com.

AWC has awarded scholarships for the past 26 years, funded by club events and community donations. Annually, we award needs-based scholarships to local public high school graduating seniors, Diablo Valley Community College single parents and Youth Homes emancipated foster students.
